"Pentair is built on delivering smart, sustainable, energy- and resource-efficient products and solutions," said De'Mon Wiggins, Group President, Pentair Pool. "We are proud of our continued collaboration with the EPA and honored to be recognized as an ENERGY STAR Partner of the Year once again. Our efforts, paired with ENERGY STAR's goals and leadership, are changing the pool industry."

Since 2005, Pentair's ENERGY STAR pool pumps have been responsible for a cumulative 32.6 billion kWh of energy savings, the reduction of 15.4 million tons of CO_2 emissions and $3.6 billion in operative cost savings for U.S. consumers.*

In addition to its ENERGY STAR-rated pool pumps, Pentair offers smart, sustainable solutions to help pool owners conserve energy and make thoughtful environmental choices. Through pool solutions like automated controls, heaters and lighting products, Pentair strives to design products that facilitate environmental sustainability. Homeowners can learn more about Pentair's energy-efficient offerings, its rebate program for select ENERGY STAR certified models, and find helpful ENERGY STAR resources at pentair.com/energystar.

Each year, the ENERGY STAR program honors a group of businesses and organizations that have made outstanding contributions to protecting the environment through superior energy achievements. ENERGY STAR award winners lead their industries in the production, sale, and adoption of energy-efficient products, homes, buildings, services, and strategies. These efforts are essential to fighting the climate crisis and protecting public health.

Winners are selected from a network of thousands of ENERGY STAR partners. For a complete list of 2022 winners and more information about ENERGY STAR's awards program, visit energystar.gov/awardwinners.

*Savings are based on a weighted average annual kWh savings from the Consortium for Energy Efficiency (CEE) at $0.11 / kWh. Individual Weighted Energy Factor (WEF) scores and savings may vary by model.
