

Pentair Announces Pricing For Debt Tender Offer And Consent Solicitation

May 25, 2017

LONDON, United Kingdom - May 25, 2017 - Pentair plc (NYSE: PNR) ("Pentair") announced today that certain of its subsidiaries have determined the Reference Yield and Total Consideration (each as defined below) for the previously announced cash tender offer (the "Tender Offer") for certain series of outstanding notes specified below (the "Notes"). The terms and conditions of the Tender Offer are described in an Offer to Purchase and Solicitations of Consents (the "Offer to Purchase") and the related Consent and Letter of Transmittal (the "Letter of Transmittal"), each dated May 11, 2017.

The Tender Offer commenced on May 11, 2017. Pentair Finance S.A. and Pentair, Inc. (each, an "Offeror" and together, the "Offerors") are offering to purchase for cash the applicable series of Notes set out in the table below for an aggregate purchase price (including principal and premium) of up to \$1,750,000,000 (as such amount may be increased, the "Maximum Tender Amount"), plus accrued and unpaid interest on the Notes from the last applicable interest payment date up to, but not including, the Early Settlement Date (as defined below). The amount of a series of Notes that is purchased in the Tender Offer will be based on the order of priority (the "Acceptance Priority Level") for such series of Notes as set forth in the table below, with 1 being the highest Acceptance Priority Level and 8 being the lowest Acceptance Priority Level. Since the purchase of all of the Notes with Acceptance Priority Level 6 validly tendered and not validly withdrawn would result in an aggregate purchase price that would exceed the Maximum Tender Amount, the amount of Notes purchased in such series is expected to be prorated using the procedure more fully described in the Offer to Purchase.

The following table presents the applicable Total Consideration to be paid to each holder of Notes accepted for purchase and the Reference Yield used in the calculation of such consideration, and the aggregate principal amount of Notes anticipated to be accepted for purchase on the Early Tender Settlement Date.

(1) Per \$1,000 principal amount of Notes.

(2) Pentair, Inc. is the Offeror for this series of Notes; Pentair Finance S.A. is the Offeror for all other series of Notes.

(3) Because the aggregate purchase price of the Notes validly tendered and not validly withdrawn on the Early Tender Date exceeds the Maximum Tender Amount for Notes with a higher Priority Level, it is expected that none of these Notes will be accepted for purchase.

Concurrently with the Tender Offer, the Offerors are soliciting (the "Consent Solicitation") consents (the "Consents") from each holder of the Notes, subject to the terms and conditions set forth in the Offer to Purchase, to certain proposed amendments (the "Proposed Amendments") to the indentures governing each series of Notes (collectively, the "Existing Indentures"). The purpose of the Proposed Amendments is to modify or eliminate substantially all of the restrictive covenants, certain events of default and related provisions contained in each applicable Existing Indenture. Based on the Notes tendered as indicated above, the Offerors intend to execute a supplement to each applicable Existing Indenture (each, a "Supplemental Indenture") with respect to the PFSA 2021 Notes, Pentair Inc. 2021 Notes, 2025 Notes, 2020 Notes and 2022 Notes as Consents from holders of a majority of the outstanding aggregate principal amount of each such series of Notes were received. Each Supplemental Indenture will become effective upon the execution of such Supplemental Indenture, but will provide that the Proposed Amendments for the applicable series of Notes will not become operative unless the applicable Offeror accepts the applicable Notes for purchase in the Tender Offer and the amount of Notes purchased in such series was not subject to proration.

Holders of Notes validly tendered and not validly withdrawn at or prior to the Early Tender Date and accepted for purchase will receive the applicable "Total Consideration", which includes an early tender premium of \$30.00 per \$1,000 of principal amount of Notes accepted for purchase (the "Early Tender Premium"). Because the aggregate purchase price of the Notes validly tendered and not validly withdrawn on the Early Tender Date exceeds the Maximum Tender Amount, Offerors will not accept for purchase any Notes that may be tendered after the Early Tender Date. The Total Consideration will only be paid to holders of tendered Notes to the extent that the applicable Offeror accepts such Notes for purchase. The Offerors' obligation to accept and pay for the tendered Notes in the Tender Offer is subject to the satisfaction or waiver of certain conditions described in the Offer to Purchase and the Letter of Transmittal.

Holders who tender their Notes in the Tender Offer must consent to the Proposed Amendments applicable to such Notes. Pursuant to the terms of the Offer to Purchase, the tender of Notes will be deemed to constitute the delivery of a consent of such tendering holder to the applicable Proposed Amendments.

The Total Consideration for each series per \$1,000 principal amount of Notes was determined in the manner described in the Offer to Purchase by reference to a fixed spread specified for each series of Notes over the applicable yield (the Reference Yield") based on the bid side price of the U.S. Treasury Security specified for each series of Notes in the table above, as calculated by the Lead Dealer Manager at 2:00 p.m., New York City time, on May 25, 2017. In addition to the Total Consideration accrued and unpaid interest on the Notes accepted for purchase will be paid from the last applicable interest payment date up to, but not including, the Early Settlement Date.

Withdrawal rights with respect to the Notes tendered and Consents delivered expired at 5:00 p.m., New York City time, on May 24, 2017.

Payment for the Notes that are validly tendered and not validly withdrawn prior to the Early Tender Date and accepted for purchase by the applicable Offeror will be made on the date referred to as the "Early Settlement Date." The Early Settlement Date for the Notes is anticipated to be May 26, 2017.

None of the Offerors or Pentair, their respective boards of directors, the Dealer Managers, The Depositary Trust Company and the Information Agent or the trustees makes any recommendation that any holder of Notes tender or refrain from tendering all or any portion of the principal amount of its Notes or deliver Consents pursuant to the Consent Solicitation, and no one has been authorized by any of them to make such a recommendation. Holders must make their own decision as to whether to deliver Consents and tender their Notes, and, if so, the principal amount of Notes to tender.
