

Pentair Names Karla Robertson General Counsel and Kelly Baker Chief Human Resources Officer for Pentair plc Post Separation

November 13, 2017

LONDON, United Kingdom - November 13, 2017 - Pentair plc (NYSE: PNR) announced today that it has named Karla Robertson as Executive Vice President, General Counsel and Secretary, and Kelly Baker as Executive Vice President and Chief Human Resources Officer (CHRO) for Pentair's Water business, which is expected to separate from Pentair's Electrical business in the second quarter of 2018, forming two independent, publicly-traded companies.

"We are pleased to add this level of talent to the new Pentair executive team," said John Stauch, Pentair Executive Vice President and CFO, and future Pentair CEO. "Filling these two executive leadership roles is an important milestone toward our completion of Pentair's separation into two leading public companies."

Ms. Robertson joins Pentair from SUPERVALU, a Minnesota-based grocery wholesaler and retailer where she held various positions within the legal department, including the last four years as its Executive Vice President and General Counsel. Prior to joining SUPERVALU in 2009, Karla was in-house employment counsel at Target Corporation.

Ms. Baker joins Pentair from Patterson Companies, a Minnesota based market leading dental and animal health company where she held the role of CHRO. Prior to joining Patterson in 2016, Kelly served at General Mills for more than two decades in multiple human resources roles.

CAUTION CONCERNING FORWARD-LOOKING STATEMENTS

This press release contains statements that we believe to be "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. All statements, other than statements of historical fact are forward-looking statements. Without limitation, any statements preceded or followed by or that include the words "targets," "plans," "believes," "expects," "intends," "will," "likely," "may," "anticipates," "estimates," "projects," "should," "would," "positioned," "strategy," "future" or words, phrases or terms of similar substance or the negative thereof, are forward-looking statements. These forward-looking statements are not guarantees of future performance and are subject to risks, uncertainties, assumptions and other factors, some of which are beyond our control, which could cause actual results to differ materially from those expressed or implied by such forward-looking statements. These factors include the ability to satisfy the necessary conditions to consummate the planned separation of our Water business and Electrical business into two independent, publicly-traded companies (the "Proposed Separation") on a timely basis or at all; the ability to successfully separate the Water and Electrical businesses and realize the anticipated benefits from the Proposed Separation; adverse effects on the Water and Electrical business operations or financial results and the market price of our shares as a result of the announcement or consummation of the Proposed Separation; unanticipated transaction expenses, such as litigation or legal settlement expenses; failure to obtain tax rulings or changes in tax laws; changes in capital market conditions; the impact of the Proposed Separation on our employees, customers and suppliers; overall global economic and business conditions impacting the Water and Electrical businesses; future opportunities that our board may determine present greater potential to increase shareholder value; the ability of the Water and Electrical businesses to operate independently following the Proposed Separation; the ability to achieve the benefits of our restructuring plans; the ability to successfully identify, finance, complete and integrate acquisitions; competition and pricing pressures in the markets we serve; the strength of housing and related markets; volatility in currency exchange rates and commodity prices; inability to generate savings from excellence in operations initiatives consisting of lean enterprise, supply management and cash flow practices; increased risks associated with operating foreign businesses; the ability to deliver backlog and win future project work; failure of markets to accept new product introductions and enhancements; the impact of changes in laws and regulations, including those that limit U.S. tax benefits; the outcome of litigation and governmental proceedings; and the ability to achieve our long-term strategic operating goals. Additional information concerning these and other factors is contained in our filings with the SEC, including our Quarterly Report on Form 10-Q for the quarter ended September 30, 2017. All forward-looking statements speak only as of the date of this press release. Pentair plc assumes no obligation, and disclaims any obligation, to update the information contained in this press release.
